---

Please be advised, with regards to the questions below, Solent NHS Trust does not fund any placements and therefore are unable to answer these questions. We believe is provided by NHS Hampshire and Isle of Wight ICB. Therefore, we would advise to contact them directly with following email address: [hiowicb-hsi.foi@nhs.net](mailto:hiowicb-hsi.foi@nhs.net).

***I would like to request the following information regarding supported living services for adults with a primary support need of learning disabilities (LD,) mental health (MH) and Autism Spectrum Disorders (ASD).***

***Supported living may also be called Supported accommodation or Supported housing and is a housing scheme where housing, support and care services are provided to help people with disabilities live as independently as possible in the community.***

***Long term care is provided to clients on an ongoing basis and varies from high intensity provision such as nursing care, to lower intensity support in the community such as the provision of direct payments to arrange regular home care visits. Please note, that by MH, we mean ‘Mental Health Support’ and not ‘Support with Memory and Cognition’ or ‘Substance Misuse Support’.***
