

Share With Care

We believe that good communication with other healthcare professionals involved with your care is beneficial to your treatment and experience as a patient.

There may be occasions when we need to share information with other healthcare professionals or organisations, for example, outside healthcare providers, social services, DVLA, DWP, and the Police.

Please note in some cases we are required to by law.

Don't worry it's kept safe!

Your information may be stored on a shared database which is also used by:

- Portsmouth Hospital NHS Trust
- Southern Health NHS Foundation Trust
- University Hospital of Southampton NHS Foundation Trust
- Your GP
- Local Authorities

If you do not want your information to be shared for this purpose please advise the service you are currently receiving treatment from.
