The Equality Standard is designed to mainstream equality and diversity in everything we do and offer incremental recognition of improvement with three levels of award: bronze, silver and gold.

The Equality Standard toolkit includes a guidance document outlining standard criteria and a Provider Compliance Assessment (PCA) to record evidence.

Bronze

- A bronze award recognises that the Division has a solid foundation for eliminating unlawful discrimination and developing an inclusive culture that values all staff.

Silver

- In addition to the requirements for a bronze award, a silver award recognises a significant record of activity and achievement by the Division in promoting equality and diversity and in addressing challenges across the Division.

Gold
