

# Who is a Third Party?

**Third party**, in relation to personal data, means any person other than –

- (a) the data subject,
- (b) the data controller, or
- (c) any data processor or other person authorised to process data for the data controller or processor.

For example, other organisations we work with e.g. other health or social care providers, or others who we are legally required to share information with e.g. Department of Working Pensions, Police, etc..
