6.	Questions and answers to the panel
6.1	<p><u>What measures has the Trust adopted to limit its exposure to tourism particularly with Sexual Health Services and HIV Treatment?</u></p> <p>AS commented that it is better to treat a person irrespective of where they come from. AW commented that the biggest concern is to achieve early diagnosis to prevent the spread of HIV. AW also reported that the Trust has not experienced the media portrayal of HIV tourism.</p>
6.2	<p><u>With the reality that workforce stress levels are on the increase, staff are often reluctant to declare they cannot cope for fear of performance management or being next in line to leave the Trust resulting in a reduction in production levels.</u></p> <p>SH reported on the Board's full recognition of staff morale and of the desire to visit each service within the organisation to experience first-hand challenges faced. SH acknowledged current challenging times and commented on the importance of clear and open communication in order for staff to raise any concerns. SH informed the AGM of the Whistle Blowing Policy in place and of a regular Chief Executive communication to all staff where suggestions and challenges are shared directly with her. The importance of listening and responding to staff and need for staff involvement in decision making was noted.</p>
6.3	<p>AW reported on proactive work undertaken by the Occupational Health Service to understand and tackle stress. It was noted that the Trust has received the Investors in People accreditation.</p> <p>AW shared an example of a significant increase in activity within Special Care Dentistry and the impact to staff stress levels as a consequence. It was noted that the Trust cannot increase work without reasonable rationale.</p>
6.4	<p>SA reported on significant staffing level issues within Portsmouth Community and the pressure of staff as a consequence. SA commented in the importance of staff feeling they can speak out.</p>
6.5	<p><u>What is an AHP?</u></p> <p>EMc explained it to be Allied Health Professionals which includes physios and occupational therapists.</p>
6.6	<p><u>A presentation at a previous meeting provided by community nurses regarding an increase in workload due to block contracts and having no control over them was noted. Has anything been done about this?</u></p> <p>AMS confirmed his recognition of issues with the block contract model and reported on improvements to data that provides a constructive basis for discussions with commissioners to support negotiations regarding funding and resources. It was clarified that negotiating is much improved with the quality of data that is now available.</p>
6.7	<p><u>What are the plans for extra parking at St Mary's?</u></p> <p>RS reported on additional spaces rented at the near-by prison in the interim. The AGM was also informed of additional wardens in place to ensure that patients are given priority and there is no inappropriate parking. Plans in place for a multi-storey carpark were noted.</p>
6.8	<p><u>What is the future of Baytrees?</u></p> <p>SH informed the meeting of the loss of the Hampshire substance misuse contract which has consequently presented a level of risk regarding the sustainability of the service. It was explained that the Board have been informed of the risk and the Trust is engaging with commissioners regarding their intent for the service.</p>

6.9	<p><u>Being aware of trying to support Portsmouth Colleagues – How can we make sure we have a holistic approach to providing support to other teams, to maintain foundations and manage risk?</u></p> <p>AMS reported on community nurses pressures causing individual decisions to reprioritise their time for the benefit of patients impacting on availability for training which was a warning sign that consideration needed to be given on the volume of work being undertaken.</p> <p>SH reported that Portsmouth Community Nursing pressures were significant however assurance was given that discussions are being held regarding Clinical Recording Systems and how the Trust can offset risks to services. The help provided by Southampton colleagues was recognised and SA thanked them for the support given. It was confirmed that twice daily reports are provided on staffing levels and capacity to provide intelligent oversight of the service.</p>
6.5	<p><u>Is Solent aware of talks between Hampshire and Isle of Wight regarding creating a unitary authority?</u></p> <p>SH confirmed awareness and commented on the potential opportunities the changes could bring.</p> <p>David Williams reported on the Devolution Hampshire proposal. It was noted that the council remain optimistic however there is to be a tough series of negotiations.</p>
7.6	<p>AMS thanked everybody for coming to the meeting and shared his encouragement in seeing how many people were in attendance and interested in the Trust and its success.</p>
