

	<p>Information about Solent NHS Trust's CAMHS Child and Adolescent Mental Health Service</p>
	<p>We are changing how we deliver our services in order to protect everyone from coronavirus</p>
	<p>This includes Helping to keep children safe at or close to home where we can (and out of hospital).</p>
	<p>There is a limited service right now if your child's needs are not urgent. We are still processing referrals every day and able to take calls. Our duty clinician is available between 9 am – 5 pm.</p>
	<p>You may need to wait longer for your appointment. We will contact you when we are able to offer an appointment.</p>
	<p>Your appointment will probably be by telephone or video link if you have a staff member who has been working with you.</p>
	<p>We will only invite you to clinic or visit you if we need to see your child. Please do not come to our clinics unless we ask you to come. Call us with any questions on the above telephone number.</p>
	<p>If you are worried about coronavirus, please go on the NHS 111 website on www.nhs.uk/conditions/coronavirus-covid-19/</p>
