Section Two Standing Orders

1.1 Statutory Framework

- 1.1.1 Solent NHS Trust (the Trust) is a statutory body which came into existence on 1 April 2011 under The Solent National Health Service Trust (Establishment) Order 2011 No 804.
- 1.1.2 The principal place of business of the Trust is:
Solent NHS Trust Headquarters,
Highpoint Venue,
Bursledon Rd,
Southampton,
SO19 8BR
- 1.1.3 NHS Trusts are governed by Act of Parliament, mainly the National Health Service Act 1977 (NHS Act 1977), the National Health Service and Community Care Act 1990 (NHS & CC Act 1990) as amended by the Health Authorities Act 1995, the Health Act 1999 and the National Health Service Act 2006.
- 1.1.4 The functions of the Trust are conferred by this legislation.
- 1.1.5 As a statutory body, the Trust has specified powers to contract in its own name and to act as a corporate trustee. In the latter role it is accountable to the Charity Commission for those funds deemed to be charitable as well as to the Secretary of State for Health.
- 1.1.6 The Trust also has statutory powers under Section 28A of the NHS Act 1977, as amended by the Health Act 1999 and as now contained under Sections 256 and 257 of the NHS Act 2006 (and Health & Social Care Act 2012), to fund projects jointly planned with local authorities, voluntary organisations and other bodies.
- 1.1.7 The Code of Accountability requires the Trust to adopt Standing Orders for the regulation of its proceedings and business. The Trust must also adopt Standing Financial Instructions (SFIs) as an integral part of Standing Orders setting out the responsibilities of individuals.
- 1.1.8 The Trust will also be bound by such other statutes and legal provisions which govern the conduct of its affairs.

1.2 NHS Framework

- 1.2.1 In addition to the statutory requirements the Secretary of State through the Department of Health issues further directions and guidance. These are normally issued under cover of a circular or letter.
- 1.2.2 The Code of Accountability requires that, inter alia, Boards draw up a schedule of decisions reserved to the Board, and ensure that management arrangements are in place to enable responsibility to be clearly delegated to senior executives (a scheme of delegation). The code also requires the establishment of Audit and Remuneration Committees with formally agreed terms of reference. The Codes of Conduct make various requirements concerning possible conflicts of interest of Board members.

- 1.2.3 The Code of Practice on Openness in the NHS sets out the requirements for public access to information on the NHS and should be considered in conjunction with the Freedom of Information Act 2000.

1.3 Delegation of powers

The Trust has powers to delegate and make arrangements for delegation. The Standing Orders set out the detail of these arrangements. Under the Standing Order relating to the Arrangements for the Exercise of Functions (Section 5) the Trust's Board of Directors is given powers to "make arrangements for the exercise, on its behalf, of any of its functions by a committee, sub-committee or joint committee appointed by virtue of Standing Order 4 or by an officer of the Trust, in each case subject to such restrictions and conditions as the Board thinks fit (or as the Secretary of State may direct)". The Trust is required to ensure that directors and equivalents are 'fit and proper' for the role and make every reasonable effort to assure itself by all available means. The Trust has developed a 'Fit and Proper Person Test- Standard Operating Procedure' which sets out the Trust's systems and processes in place to ensure that all new directors and existing directors are, and continue to be, fit, and that no appointments meet any of the unfitness criteria set out in the 2014 Regulations.

- a person who has had their name removed from a list maintained by a direction under any NHS act or has otherwise been disqualified or suspended from any healthcare profession, and has not subsequently had their name included in such a list or had their qualification re-instated or suspension lifted (as applicable), and due to such reasons is considered by the Trust to be unsuitable to be a Director;
- a person who by reference to information revealed by a disclosure and barring service (established under section 87 of the Protection of Freedoms Act 2012) check is considered by the chief executive to be inappropriate on the grounds that their appointment may adversely affect public confidence in the Trust or otherwise bring the Trust into disrepute;
- a person who has, or has been in the last five years prior to their application to be a member, been involved as a perpetrator in a serious incident of assault or violence, or in one or more incidents of harassment, against any of the Trust's employees or other persons who exercise functions for the purposes of the Trust (including volunteers), and following such behaviour has been asked to leave, has been removed or excluded from any hospital, premises or establishment, in accordance with the relevant Trust policy for withholding treatment from violent / aggressive patients;

3.7.4 Rights of reply to motions

If a quorum is then not available for the discussion and/or the passing of a resolution on any matter, that matter may not be discussed further or voted upon at that meeting. Such a position shall be recorded in the minutes of the meeting. The meeting must then proceed to the next business.
