RELOCATION ASSISTANCE POLICY

1. INTRODUCTION AND PURPOSE

- 1.1 The Trust acknowledges that there occasions when potential recruits to the Trust or employees who are being relocated as a result of an organisational change will need to relocate their homes, if they are able to accept advertised positions. In order to recruit staff from the widest possible field and to ensure that the best candidate is able to fill vacancies, the Trust may wish to offer relocation assistance in specified circumstances. This policy explains the circumstances under which removal expenses can be granted and gives details of the maximum payments which can be made.
- 1.2 In all cases the granting of relocation assistance is discretionary.

2. SCOPE

- 2.1 This policy applies to all permanently employed staff, including those on limited term or fixed term contracts within Solent NHS Trust in line with the Trust's Equality, Diversity and Human Rights Policy, with the exception of Junior Doctors and Dentists in Training who are covered by the Health Education England Relocation Policy. It does not apply to Volunteers, Honorary Appointments, Bank workers, Locums, Non Executive Directors, Agency workers, Contractors, students or other individuals not directly employed by the Trust.

3. DEFINITION OF REMOVAL COSTS IN LINE WITH THE HM REVENUE AND CUSTOMS REQUIREMENTS

3.1 Removal expenses where an employee owns a property

- 3.1.1 Removal expenses for employee's who already own a property are defined as follows:
- Legal fees for the sale of a property owned either fully or in part by the employee
 - Estate Agents or Auctioneer's fees on the sale of the property and purchase of the new property
 - Legal expenses for the purchase of the new property
 - Survey fee on the purchase of the new property
 - Stamp duty on the new property
 - Removal costs - the lowest of three quotes
 - Cost of travel and two weekends' accommodation for the immediate family to view the area
 - Cost of local temporary accommodation for the employee for up to three months while they are actively marketing their former property and finalisation of purchase of their new property
 - Cost of travel home via public transport or where this is not practicable or cost effective at the reserve rate of mileage for up to three months
- 3.1.2 In this policy *Actively Marketing* their property means the property they own is:
- on the market for sale, or
 - in the process of being sold.

3.2 Removal expenses where the employee does not own a property

- 3.2.1 Where an individual does not own a property but rents or leases a property the following are included as removal expenses:
- Removal costs
 - Cost of the arrangement fee and legal expenses on any loan taken out to pay for a deposit or rental advance

- Cost of local temporary accommodation for the employee for up to three months whilst they are waiting to move into their new rented accommodation.

4. ELIGIBILITY

- 4.1. Relocation expenses will only be considered when an individual is being relocated as a result of an organisational change, or the vacant post is classified as being hard to fill due to a shortage of suitable candidates, whether this is due to a skill shortage, or other labour market pressure.
- 4.2. “Hard to fill” vacancy, within this policy includes any role:
- which is on the Immigration Rules shortage Occupation List,
 - where there is a national/local skills shortage, or
 - it has been previously advertised externally without success and it would be a serious risk to the organisation if the role was not filled.
- In all cases the Operational Director/Director must agree that relocation is appropriate.
- 4.3. It must be clearly stated on any recruitment authorisation form if the post is considered to be a hard to fill vacancy and that relocation will be considered. The advert will also need to explicit that relocation may be appropriate.
- 4.4. If the advertisement has not been annotated in this way relocation expenses will not normally be authorised, however if a manager does wish to pay relocation expenses because the post is hard to fill then authority from the relevant Operational Director must be obtained, prior to making any offer. In order to avoid any doubt the relocation costs will be charged to the service budget.
- 4.5. The individual taking up the post must have a permanent residence more than 50 miles from the new base location, or if public transport is used, be one hour travelling from home to the proposed (new) base location.
- 4.6. The new permanent residence must be within 15 miles of the proposed base location, or individual contractual requirements.
- 4.7. The employment contract being offered is for more than twelve months duration.

5. TERMS OF PAYMENT

- 5.1 Payment will be offered subject to the following terms and agreement reached:
- Should the employee leave the Organisation within two years of commencing work in the role repayment will be made as follows:

* Within one year of commencement	100%
* 1 year to 18 months of commencement	50%
* 18 months to 2 years of commencement	25%
 - On production of three formal estimates 50% of the agreed relocation costs will be paid with the employee’s first salary payment following receipt.
 - The balance up to the agreed sum will be made upon production of receipts that the relocation expenses have been paid. Receipts must be produced within the tax year in which the initial payment is made. Please be aware that if receipts are not produced within the same tax year as the payment is made the whole payment will become a taxable payment.

- Throughout the period that removal costs are in payment, if the employee has a property to sell they are actively marketing it.
- Travel and removal costs will only be paid from a UK port of entry if the individual is entering the country from abroad.
- The expenses claimed are not recoverable from any other source.

6. AMOUNT OF MAXIMUM PAYMENTS

- 6.1 The manager, in consultation with the Operational Director/Director, will determine the amount of the payment to be made in individual cases, however no payment made may exceed £10,000 or 25% of salary whichever is the lesser figure.

7. TAX IMPLICATIONS

- 7.1. The Trust will report the provision of any allowance that exceeds £8,000 at year end via the real time information gateway or P11D.
- 7.2. Any payment in respect of removal expenses must be included on the employee's end of year tax return, but it is likely that the majority of expenses reimbursed under this policy will be exempt from income tax up to £8,000.
- 7.3. All receipts must be attached to the application forms and sent to the People Services team (PS). The receipts will be retained by the Payroll team as the HM Revenue and Customs will require sight of them if they undertake an inspection.

8. APPLICATION PROCESS

- 8.1 The process to be followed when considering a relocation assistance payment is enclosed in Appendix A and the relevant forms are in Appendix B.

9. ROLES AND RESPONSIBILITIES

- 9.1 Remuneration Committee is responsible for agreeing any relocation packages paid to Very Senior Managers before final agreement is sought from NHS Information Remuneration Committee.
- 9.2 Operational Directors/Directors are responsible for confirming that the post is classified as hard to fill or that relocation is appropriate as a result of an organisational change and that they agree to a payment being made.
- 9.3 Managers are responsible for ensuring they understand the limitation of the policy and that they ensure the correct forms are completed in a timely manner.
- 9.4 Employees are responsible for ensuring they follow this policy and provide quotes/receipts in accordance with this policy.
- 9.5 The People Services (PS) team are responsible for ensuring that payments are made once all the appropriate forms and receipts are received.

11. EQUALITY IMPACT ASSESSMENT AND MENTAL CAPACITY

It is understood that no employee will receive less favourable treatment on the grounds of disability, age, sex, race, religion or belief, gender reassignment, pregnancy or maternity, marriage or civil partnership, working patterns or Trade Union membership or non-membership in relation to the application of this policy. The Equality Impact Assessment is included in Appendix C.
