

## **FOI\_0434\_21/22 – FOI request concerning - Overseas Visitors Charges by Time in UK for 2019/20**

---

Please be advised that the below is a nil return for Solent NHS Trust.

1. **Could you please provide data on (a) the total amount invoiced directly to patients for charges made in accordance with the NHS (Charges to Overseas Visitors) Regulations 2015 and (b) the total amount of payments recovered from patients classified as overseas visitors in accordance with these regulations, broken down according to the immigration status of overseas visitors. In particular, we are interested in the total amount invoiced and recovered for the following groups:**
  - a) **Chargeable EEA patients in the UK for under six months**
  - b) **Chargeable EEA patients in the UK for over six months**
  - c) **Chargeable non-EEA patient here for under six months**
  - d) **Chargeable non-EEA patient here for over six months**
  - e) **Chargeable British nationals**
  
2. **If data for these categories are not available, please provide data on the total amount invoiced and recovered by immigration status. If no data on immigration status are available, please provide data on the total amount invoiced and recovered by nationality or country of origin. If no data on charge recovery rates by nationality or country of origin is available, please provide data on the total amount invoiced and recovered for all overseas visitors.**

***We would ideally like this data for financial year 2019/20, or calendar year 2019. If this is not possible, then we would like it for the latest year available before 2019/20.***
