

FOI_128_20/21 – FOI request concerning - Coronavirus Transmission in Hospital

I confirm that we hold the information as below.

If your trust has more than one hospital, please break down the figures by hospital. Please note this FOI concerns only inpatients who contracted coronavirus during their time in hospital.

- 1. The number of patients in your hospital(s) who tested positive for Covid-19, having tested negative at their time of admission**
Zero
- 2. The number of these patients who subsequently died from Covid-19.**
Zero
