

## **FOI\_0543\_21/22 – FOI request concerning – Number of Cases and Deaths Related to Measles, Mumps and Rubella**

---

Please be advised that the information being requested below is not held by Solent NHS Trust as we do not treat children if they are unwell with any of these diseases and do not hold the cause of death for patients as that is determined by the coroner and is not shared with us.

- 1. The number of cases treated by the hospital per year and number of deaths registered per year for Measles for the years 2017, 2018, 2019, 2020, and 2021.**
- 2. The number of cases treated by the hospital per year and number of deaths registered per year for Mumps for the years 2017, 2018, 2019, 2020, and 2021.**
- 3. The number of cases treated by the hospital per year and number of deaths registered per year for Rubella for the years 2017, 2018, 2019, 2020, and 2021.**
- 4. The approximate number of patients the Hospital serves if known.**
