

FOI_0768_2022-23 - FOI Request Concerning - COVID-19 Deaths

1. Number of patients who died with COVID-19 as the primary cause of death. As documented in part 1a of the death certificate (in each month)

We don't hold this information and therefore, the question is not applicable.

2. Number of patients who died with COVID-19 as a secondary cause of death - As documented elsewhere on the death certificate (NOT in part 1a) (in each month)

We don't hold this information and therefore, the question is not applicable.

3. Number of patients admitted with COVID-19 (in each month)

Data source: https://www.england.nhs.uk/statistics/statistical-work-areas/covid-19-hospital-activity/
