

FOI_0899_2022-23 – FOI Request Concerning – Structural Maintenance Issues

- 1. As of the date of this request, what is the longest amount of time - in days - that one of your outstanding structural maintenance issues has been left unresolved? Structural maintenance issues could include leaks, collapsed ceilings and creaking support beams.**

1217 calendar days

- 2. Please could you answer Q1 for the three structural issues which have been left unresolved for the longest amount of time, in descending order.**

P1 – Reinforced Autoclaved Aerated Concrete Roofing Planks (1217 days)

P2 – Structural Roof Leaks (624 days)

P3 – External building envelope weather-proofing (422 days)

- 3. Please send all of your trusts' hospital reports - commissioned since 01/01/22 - into the safety of their buildings and the risk posed to patients in the event of structural failure in the hospitals. If there are no reports as of 01/01/22, please send the Trusts' most recent report.**
