

FOI_0762_2022-23 – FOI Request Concerning – Follow-up Appointments

- 1. How many patients who require a follow-up appointment (but are not captured in the RTT pathway) does your Trust have on its waiting list?**

Solent NHS currently has 31,219 open referrals for our non-RTT services. This counts patients who have had a first appointment and have not been discharged following this contact. We are unable to tell if all these patients will have a subsequent (follow up) appointment.
