

FOI_1002_2022-23 – FOI Request Concerning – The Number of Deaths and Suspected Deaths from Fentanyl or Fentanyl Analogues

1. Number of deaths and suspected deaths from fentanyl or fentanyl analogues over the last fifteen years.

Solent NHS Trust was formed in 2011 so we do not have records prior to this.

From 1st April 2011 to 16th January 2023 there have been no patient deaths as a result of the use of Fentanyl.

2. The number of people treated for suspected overdoses from fentanyl or fentanyl analogues?

Solent NHS Trust was formed in 2011 so we do not have records prior to this.

From 1st April 2011 to 16th January 2023 there have been no instances of patients requiring treatment after taking an overdose of Fentanyl.
