

FOI_0812_2022-23 – FOI Request Concerning – Community Mental health Framework

1. I am looking for Solent NHS Trust's policy on the Community Mental Health Framework, but I am unable to locate it on their website. Can you please advise whether it is publicly available somewhere?

Please be advised that we do not have a Community Mental Health Framework policy.

Also, do check out the work we are doing: [Improving Mental Health in Portsmouth - Health & Care Portsmouth](#)
