

FOI_0871_2022-23 – FOI Request Concerning – Declaration Of Conformity

1. I am requesting the Regulation (EU) 2016/425 Declarations of Conformity for all type IIR surgical masks provided as PPE to staff since 15 June 2020. Regulation (EU) 2016/425 states that the Declarations of Conformity must be provided physically with the PPE or a weblink printed on the PPE packaging. Which means if the PPE provided is legally complaint, then the Declarations of Conformity will be readily accessible.

All 11R masks are provided by the national NHS/DHSC PPE route they hold all the information on whether the declarations were provided physically or by website link on the packaging.

As a Trust we have no control of the brands ordered or received and would only be able to provide this information on any current brands we are holding from the route mentioned above.
