

FOI_1115_2022-23 – FOI Request Concerning – Patient Level Costing System and Integrated Data Platform

1. Who is your current system supplier for your Patient Level Costing system?

IQVIA

2. When does that contract expire (not including optional extensions)?

March 2024

3. Is it used purely for the National Cost Collection submission?

Currently Yes

4. If not, what other purposes is it used for?

N/A

5. Do you use an Integrated Data Platform that consolidates multiple data sources for the purpose of analytics and reporting?

We use Microsoft Azure for storing and interrogating data, and Microsoft Power BI to visualise the information

6. Who is the supplier of this system or systems if more than one?

Microsoft

7. When does the contract (contracts) expire (not including optional extensions)?

2026

8. Does your current contract meet all your statutory data submission needs?

Statutory submissions are managed by the BI Team and not contracted to Microsoft Azure

9. Does the Trust have a strategic Business Intelligence or Data Analytical tool?

Yes

a) If so which one?

We operate a Microsoft Power BI first approach, if we cannot use PBI then we look for other tools such as Excel
