

FOI_1096_2022-23 – FOI Request Concerning – Unexpected AMH Deaths

1. I request that the Trust share how many AMH patients have died “unexpectedly” under Solent NHS care

Years	Total
2020	63
2021	100
2022	83
2023	14
Grand Total of all the above Years	260

2. Please share the cost of undertaking an SI and also the cost of legal fees at inquest and during an SI, and any other costs relating to this.

Please be advised that we are unable to provide an answer to this question, as the cost will vary from case to case. Each SI will require differ amounts of time and resource, as do legal costs associated with inquests.
