

**FOI_0566_21/22 – FOI request concerning – Percentage of
Voluntary (Informal) Patients Discharged from 23rd March 2020**

Please could you advise the percentage of voluntary (informal) patients that were discharged from 23rd March 2020 for one week?

For WC 23rd March 2020, of the 8 patients discharged from any of our Mental Health inpatient wards during this week, 4 of them (50%) were informal admissions.
