

FOI_1288_2023-24 – FOI Request Concerning – STI Postal Kits

Under S43(2) of the FOI Act 2000, this information is being exempt as Commercial in Confidence and a Public Interest Test has been undertaken to support this.

- 1. For the past five years, how many STI postal test kits were sent out to service users from your sexual health service? I would like the data from the financial years**
 - a) 2018 to 2019,
 - b) 2019 to 2020,
 - c) 2020 to 2021,
 - d) 2021 to 2022,
 - e) 2022 to 2023?

- 2. On average for each year specified, what was the proportion of tests successfully returned to the trust? If there is an estimated range, please provide as an estimated range**

- 3. What is the total overall cost spent by your NHS trust on all STI tests to send out and process, including pathology (the cost of processing the samples) each year?**

- 4. I would like the data from the financial years**
 - a) 2018 to 2019,
 - b) 2019 to 2020,
 - c) 2020 to 2021,
 - d) 2021 to 2022,
 - e) 2022 to 2023?
