

## **FOI\_1326\_2023-24 – FOI Request Concerning – Tic Disorders**

---

Solent NHS does not currently have any Clinicians who specialise in tic disorders, we therefore are unable to answer this request

**The clinicians must have specialised practice in the three tic disorders set out in the DSM-5-TR: Tourette’s Syndrome, persistent motor or vocal tics and provisional tic disorder.**

**I am aware the clinicians may diagnose and treat patients in a variety of sub-speciality roles including, but not limited to, neurology, neuropsychiatry etc. Please include all specialists regardless of the sub-speciality in which they practice.**

- 1. Please tell me the number of clinicians you have working at the Trust who specialise in tic disorders.**
- 2. Please tell me the clinician(s) start date of employment at the Trust.**
- 3. If there are currently no specialists working at the Trust, please tell me how many you have had working at the Trust in the past during the following years:**
  - a. 2018**
  - b. 2019**
  - c. 2020**
  - d. 2021**
  - e. 2022**
