

FOI_1387_2023-24 – FOI Request Concerning Knee Replacements

Please be advised, with regards to the questions below, Solent NHS Trust does not provide knee replacement service and therefore are unable to answer these questions.

Please provide the following information:

- 1. How many patients you had on your waiting list for at least one knee replacement on 1st October 2023?**

- 2. How many of these patients had been waiting more than a year for a knee replacement?**

- 3. How many NHS knee replacement patients have been transferred to a private medical hospital to have their procedure carried out in the following years: 2019, 2020, 2021, 2022 and 2023 thus far?**
