

FOI_1424_2023-24 – FOI Request Mental Health waiting time and discharge data

By each calendar year I mean 1 Jan to 31 Dec. For 2023, please give data from 1 Jan up to 31 August inclusive.

Please note the below data does not include adhoc ECRs

Spending on private provision

1) How many beds did you have to pay private hospitals or providers for in the past five calendar years? Could you please break this down by:

a) Year, 2019 to 2023

2019 – 0

2020 – 0

2021 – 0

2022 – 0

2023 – 4 beds from 1 Jan 2023 to 8 April 2023

b) Type of bed contracted, e.g. male, female, PICU, CAMHS

Male and female adult mental health beds

2) How much did you pay private hospitals for provision of beds in the past ten calendar years? Could you please break this down by:

a) Year, 2019 to 2023

2019 – 0

2020 – 0

2021 – 0

2022 – 0

2023 - £261,385.60

Waiting times

3) What was the average waiting time for a psychiatric bed in each calendar year, from 2019 to 2023

We are not able to report on this as there is no information regarding waiting time entered prior to admission to a ward on the system, therefore we will not be capturing any waiting times at this point.

4) How many patients waited more than 24 hours for a psychiatric bed in each calendar year, from 2019 to 2023

We are not able to report on this as there is no information regarding waiting time entered prior to admission to a ward on the system, therefore we will not be capturing any waiting times at this point.

5) How many patients waited more than 3 days for a psychiatric bed in each calendar year, from 2019 to 2023

We are not able to report on this as there is no information regarding waiting time entered prior to admission to a ward on the system, therefore we will not be capturing any waiting times at this point.

6) What is the longest period a patient has had to wait for a psychiatric bed in your trust in 2023?

We are not able to report on this as there is no information regarding waiting time entered prior to admission to a ward on the system, therefore we will not be capturing any waiting times at this point.

Discharge beds

7) How much has been spent by your trust on discharging patients to bed and breakfasts or hotels in each calendar year between 2019 and 2023?

We are not able to provide this information, as we do not capture the data of patients discharged to a bed and breakfast facility.

8) How many patients have been discharged to bed and breakfasts or hotels in each calendar year between 2019 and 2023?

We are not able to provide this information, as we do not capture the data of patients discharged to a bed and breakfast facility.

9) What is the longest period of time a patient discharged from one of your wards has stayed at a bed and breakfast or hotel after they were discharged in 2022 or 2023?

We are not able to provide this information, as we do not capture the data of patients discharged to a bed and breakfast facility.
