

FOI_1523_2023-24 – FOI Request concerning Remote Monitoring Solutions

1. **From January 2023, Solent NHS Trust was trialling Doccla technology for patients across Portsmouth and Southampton with frailty needs. Given that the Doccla pilot was not extended in 2024, are there other remote monitoring solutions for virtual wards/digital tools in areas such as remote patient pathways currently in place or being evaluated, trialled or contracted in place of Doccla?**

No, there are no other monitoring solutions.

2. **If yes, can you confirm the following:**
- a) What is the supplier name?**
 - b) the Start date?**
 - c) the End date or Contract length?**
 - d) what is the contract/arrangement value (£)?**
