

FOI_1265_2023-24 – FOI Request Concerning – Call-off Contracts

1. I have attached an Excel file that contains the information I am looking at. The last two columns ("Title of framework used" and "Further framework info") is where I am missing information. Please could you provide the name of the specific framework agreements or DPS agreements used here. If there is any further info which you think would help me locate the framework agreements (e.g., a link to the framework's Contract Finder or FTS listing, the framework provider, or a widely-used reference number such as CCS's RM codes), please use the final column for this.
