Please be advised, with regards to the questions below, Solent NHS Trust does not provide this service, which we believe is provided by Hampshire and Isle of Wight ICB, and therefore are unable to answer these questions.

We request that you contact them directly via email address: hiowicb-hsi.foi@nhs.net

For clarity, adults and children receiving complex care have substantial and ongoing healthcare needs, which require additional support to manage their symptoms. These can be the result of chronic illness, disabilities or following hospital treatment. Home care refers to packages of care delivered in the individuals' own homes (not in care homes or residential facilities).

Please provide data for the following financial years: 2019/20, 2020/21, 2021/22, 2022/23 and 2023/24 (projected) except questions 5 and 6 which require a current snapshot (instead of projections for 2023/24), and question 7 which only requires data for 2022/23. If any data for 2022/23 is not available, please provide budgeted figures for the year or the latest snapshot data that is available.

Where possible, please kindly include responses on the attached spreadsheet.
