 - a) aged 0-12 months,
 - b) 12-24 months and
 - c) 24-26 months?N/A
2. **How many children in each of these age groups were referred to the service in 2022-23?**
N/A
3. **How many children in each of these age groups accessed the service in 2022-23?**
N/A
4. **Overall, how many children aged 0-18 were referred to and accessed the service in 2022-23?**
In 22/23, our CAMHS services in Portsmouth and Southampton received a combined 2997 referrals into our core service offer. This number excludes referrals into specialist teams or pathways (e.g. MHST or Liaison) and does not infer that all referrals were accepted into the service after triage.
